

## DCA Meadowlands Bride's Room

Our bridal suite has traditionally been used just for brides on the big day – and it looks the part. Overlooking the formal garden, the room is comfortably furnished with light blues (“something blue”) and ivory, with a full-length mirror, private bathroom, and settee for the helpful bridesmaids or mother. A gorgeous bride would then be able to glide down the staircase to her wedding below.

During the week, this room is a favorite for literature and Mah Jongg classes, showing the flexibility of this lovely space. Accessible to guests through an elevator or the staircase.
