Congratulations to the 2019 DCA Scholarship Winners

The Darien Community Association (DCA) is proud of the accomplishments of Darien High School (DHS) graduates, and pleased to help contribute toward their college education. Scholarships are funded by a wide range of DCA programs - from our Thrift Shop to Academic Lecture Series to house rentals - and with the support of donations including those of our scholarship sponsors listed below.

The following DCA scholarships were awarded to members of the Class of 2019 for their college plans. The DCA is grateful for the support of these local businesses and families.
